# School House Vineyard Spring 2010 Ordering & Shipping Information

(Order Form on Reverse Side)

**PAYMENT:** We accept two credit cards: Visa and Master Card. For either card we require that you provide us with the correct ZIP code for your Billing address, the CVV2 number which is the 3 digit number on the signature side of the card, and the correct expiration date.

We will accept checks, however, please call us before writing and sending your check to be sure your total amount agrees with the total amount we will charge.

The amount due, for cash, check or credit card sales includes California state taxes and shipping charges where appropriate.

**NOTE:** Your credit card will be charged upon receipt of your order. Shipping charges applied will be those in effect at that time. We will not ship wine when weather conditions make it risky. We will be happy to have you pick up your wine from us at the vineyard, or we will deliver wine to a personal wine storage locker in the Napa Valley, with no shipping charge.

**SHIPPING:** To reciprocal states. Those of you who have the misfortune to live in either a non-reciprocal state, or a state which makes it excessively complicated and costly for a small producer such as School House to ship directly to consumers, (e.g., New York) can call us to see if some alternative arrangements can be made (e.g. membership in 55 Degrees in St. Helena, or ship to a reciprocal state c/o friend, family or business colleague)

Shipping outside of California is generally by 2 Day Air, unless otherwise requested. Please indicate on the form any preference. Within California shipping is generally via Ground. Note your preference in the space provided below.

None of the carriers, that we are aware of, will leave shipments without gaining a signature for receipt of the package. The signer **MUST** be at least 21 years of age.
